

WIDOW'S MIGHT MINISTRY INTERNATIONAL

JANUARY, 2017

ON THE MOVE FOR CHRIST

2016 was certainly an exciting year for the project in Asaba, Delta State, Nigeria. Comparing last year's photos of the project with current pictures demonstrates God's provision through you. Thank you for seeding into this vision. We also are thankful for Pastor Tony Agwaniru who has faithfully and sacrificially overseen the construction. Doing business in Nigeria requires Pastor Tony to always keep his eyes on Jesus. He has done this with great tenacity and a humble attitude. Please pray for him.

GOD BUILDS

A WORK OF FAITH CONTINUES

The early part of the building project proceeded slowly due to the need for a strong foundation. Once the brick work began, God provided and level one was completed. Level two rose in 2016 - one brick at a time. Then, by His grace, the roof was installed.

**UNLESS THE LORD BUILDS THE HOUSE
THOSE WHO BUILD, BUILD IN VAIN.
PS 127:1**

Our hope is for you to be as excited as we are to see God moving in such a mighty way and to further the building of the Widows' Skills Acquisition Center. By the time you read this newsletter, all the toilets should be installed, the septic tanks completed, and the electrical wiring begun. To have come this far is so encouraging!

BUT... we still need **YOUR ASSISTANCE** to advance this building for Kingdom purposes.

On the next page, you will find a list of needs for the next phase of our project. Prayerfully consider this opportunity so that the widows will begin their training in 2018. By faith in Jesus and your generosity, you will be His provision.

WORSHIPPING OUR LORD

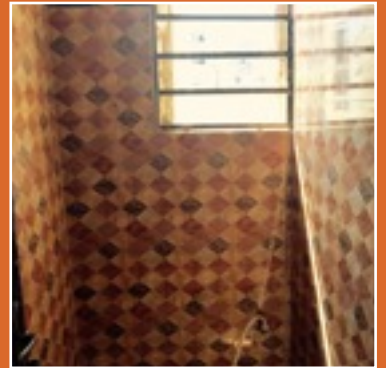

THANK YOU, DEAR FRIENDS, FOR THE PRIVILEGE OF MINISTERING TO THESE SISTERS IN CHRIST. MANY OF THEM COMMITTED THEIR LIVES TO JESUS AT THIS CONFERENCE. MAY GOD BLESS YOU FOR YOUR FAITHFUL SUPPORT TO WIDOW'S MIGHT!

Here are some interior shots of the building. In December, when we visited the center, we moved through each of the 23 rooms, praising God for the installed ceiling tiles on the second floor, installed doors, installed windows and the finished tile work in the 16 bathrooms. We also prayed over each room, rejoicing for the years to come as widows receive purpose, hope, community, and a skill set that will establish their self-sustainability. Isn't God good! We are looking forward to installing the electrical wiring, the ceiling tiles for the first level, the floor tiles for the entire structure, raising the retention wall, and painting the facility. We have a portion of the funds necessary to begin the electrical wiring. Please consider contributing to this awesome project as we move closer to the completion of the classrooms.

Dear Friends of Widow's Might Ministry,

When Pastor Tony was at the market, he heard his name announced over the loud speaker. He was being called by a merchant who had heard about the Widows' Skills Acquisition Center. This man dealt in building materials. As Tony met with him, he learned that the merchant was planning to move to Canada and was hoping to liquidate his business. He invited Tony to walk through the inventory to see what could be used for the Center. Tony saw enough floor tiles to cover both levels. This man told Tony that he would sell these tiles to him at a substantially reduced price. Of course, Tony became very excited at the offer. However, there is a caveat to this deal. Tony must purchase the tiles no later than the first of March. If he doesn't meet this deadline, the owner will sell them on the open market. The cost of these tiles is \$16,400. Widow's Might does not currently have these funds available. It is our hope that God will supply the tiles through you and other supporters who are receiving this newsletter.

Perhaps you would be willing to talk to your friends and family members to see if they would partner with us in this campaign. We are so much closer to making the Center a reality. We want to thank you for your faithful prayers and continual giving to this ministry. By faith, we are asking and believing that God will supply.

In His Service,
With Love and Thanksgiving,

Mama Linda
